Dear Mr. Laughlin:

You have received a request under Texas Open Records Act, article 6252-17a, V.T.C.S. for the name of the beneficiary on a retired employee's life insurance policy and the date that it was recorded. You ask whether this information is subject to required public disclosure under that statute. Your request was assigned ID# 12123.

We have considered the exception you claimed, specifically section 3(a)(1), and have reviewed the document at issue. A previous determination of this office, Open Records Decision No. 545 (1990), a copy of which is enclosed, resolves your request. For this reason, you may withhold the requested information.

Because case law and prior published open records decisions resolve your request, we are resolving this matter with this informal letter ruling rather than with a published open records decision. If you have questions about this ruling, please refer to OR91-182.

Yours very truly,

A handwritten signature in cursive script that reads "Susan Garrison".
